

Do Good Mission was founded in 2019 with the intent to make a difference in our community. Recently we were impacted by the suicide epidemic that has taken over our youth. Mental Health & Suicide awareness is something we feel passionate about and want to do our part in making our future world a better place.

We started this foundation in hopes to:

- Keep spreading awareness on mental health and suicide prevention.
- Help a Milford Student who also shares our passion for making a difference.
